1st ACE-KARNATAKA CONFERENCE - 2022

ORGANIZING CHAIRPERSON'S MESSAGE

Greetings.

It is a matter of great joy that the Association of Conservative Dentistry and Endodontics of Karnataka and A B Shetty Memorial Institute of Dental Sciences, NITTE (Deemed to be University) will be hosting the 1st ACE-KARNATAKA 1CONFERENCE 2022 at Mangaluru, Karnataka, India.

Mangaluru an educational hub has promoted and strengthened education and research and rendered yeomen service in the field of Conservative Dentistry and Endodontics. While equipping teachers and students to do research, it is important that we try to bridge the yawning gap between the academia and clinical practitioners. Popularizing and disseminating research findings should be seriously attempted. We should continue to reach out and establish relationships agreeing on a strategy of co-operation and co-ordination with clinical practitioners and academia and thus exercise greater stewardship of resources.

This conference will be rich and varied with three Plenary Sessions (Symposium, Panel Discussion and Q&A session) which will foster discussions and hopes to inspire the students from a wide array of themes. We also expect to provide Industry Technology Platform – demonstration and hands on for all the registered delegates. Delegates and postgraduate students will have the opportunity to present paper or e-poster pertaining to original research, case reports and reviews.

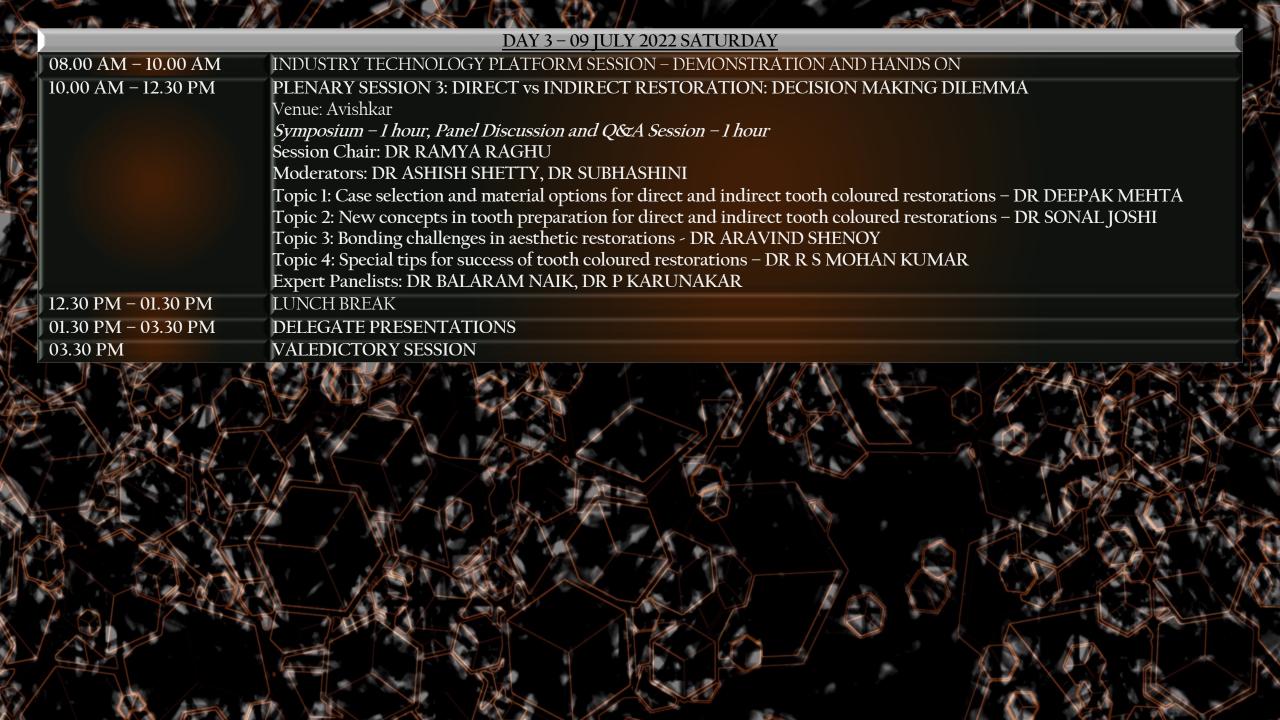

On behalf of the Organizing Committee, I welcome you all to Mangaluru city, a venue that will guarantee a successful event amid the culture and scenery. The Organizing Committee will make every possible effort to make sure that your participation will be scientifically rewarding and a pleasurable experience.

Dr Mithra N Hegde

SCIENTIFIC GUIDELINES

Scientific committee invites authors to submit their presentations for consideration and inclusion into the scientific programme.

- Only candidates who have registered for the conference are eligible to submit the abstracts
- There is no restriction on the number of submission of papers/e-posters from an institution. A participant cannot be author/co-author in more than one presentation.
- Work should be original, unpublished and should not have been previously presented at national/international meetings.
- Submission of the presentation at the conference venue or post last date will NOT be accepted.
- The scientific presentation must not contain the information of the individuals or institutions involved in the study.
- Acceptance of abstracts and presentations is subject to the final decision of the Scientific Committee
- Presenters have to meet the presentation hall In-charge and have to take their seats 10 minutes before their session starts. The presentation must strictly
 adhere to the time schedule.

ONLINE ABSTRACT SUBMISSION GUIDELINES

Abstract submission closes on the 30th of June 2022

- Abstracts shall not be longer than 300 words
- Abstract body shall not include any indication about the authors and their personal details
- Students are recommended to upload a scanned copy of the bonafide certificate duly signed by the Head of the Department during submission of the abstract.
- All accepted abstracts will be highlighted in the website by <u>02nd of July 2022</u>.

PRESENTATION GUIDELINES

Online presentation submission closes on the 04th of July 2022

- For PAPER presentation a maximum of <u>2 contributors</u> are permitted and must be registered for the conference
- All the presenters must be present in order to receive the certificate.
- The total duration for the presentation will be 10 minutes (8 minutes for presentation and 2 minutes for discussion)
- The presentations have to be prepared in MS Power Point
- For E-POSTER presentation a maximum of <u>3 contributors</u> are permitted and must be registered for the conference
- All the presenters must be present in order to receive the certificate.
- The total duration for the presentation will be <u>5 minutes</u> (3 minutes for presentation and 2 minutes for discussion)
- Presentations have to be prepared in MS Power Point landscape mode only.

INDUSTRY TECHNOLOGY PLATFORM (ITP) SESSION - DEMONSTRATION AND HANDS ON

The sessions titled 'INDUSTRY TECHNOLOGY PLATFORM' comprising of demonstration and hands on will be organized for the participants free of cost which will provide exposure regarding the latest materials and techniques available.

The aim of these sessions will be to reach out and establish relationships agreeing on a strategy of co-operation and co-ordination with academia and industry to exercise greater stewardship of resources.

No registration fees

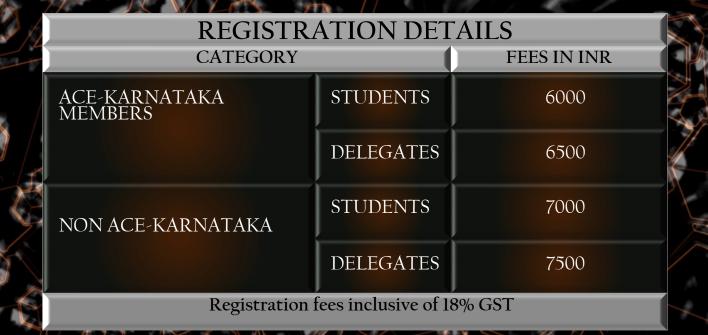

Each session will be held for 20 participants.

A conference registered participant can register for their choice of ITP session.
- REGISTRATION ON FIRST COME FIRST SERVE BASIS ONLY -

FREE REGISTRATION OPENS ON 25TH OF JUNE 2022
