

Report of cons endo day 2021

At the outset we the Faculty of Department of conservative Dentistry and Endodontics DSCDS would like to thank IACDE, ACE- Karnataka, Management DSI and Principal DSCDS for their support and Encouragement.

It was an initiative of Academy of Conservative Dentistry and Endodontics -Karnataka held at Dayananda Sagar College of Dental Sciences, Bengaluru on 22nd March 2021. The programs were organised to sensitize UG students, Interns about the scope of our speciality in dental practice and to teach them the current concepts of minimal invasive dentistry.

Following programmes were conducted,

1. Poster competition for 1st BDS, 2nd BDS and 3rd BDS students
1st BDS Topic: Oral hygiene maintenance/dental caries prevention
2nd BDS Topic: Speciality treatments offered in the Department of Conservative and Endodontics
3rd BDS Topic: Save a Tooth
2. Quiz programme for 4th BDS and Interns. Concept: MID
3. A flash mob involving UG students and PG students
4. An awareness Rally in the local area.

An Inauguration ceremony was held after the awareness rally preside by Dr Hemanth M Principal DSCDS. Dr Roopa R Nadig, Dean, Prof & HOD, President ACE-K gave a lecture on current concepts and future trends in Restorative dentistry and Endodontic practices.

Certificates were given to the winners of Poster and Quiz competition at the end of the programme.
