

Report of Cons & Endo Day Celebrations held during March 2021

We at Department of Conservative Dentistry and Endodontics, Faculty of Dental Sciences, Ramaiah University of Applied Sciences, Bengaluru celebrated Cons & Endo Day with various activities throughout the month of March 2021. It started with Digital Dentistry Interdisciplinary Symposium and Workshop held for four days in collaboration with department of Prosthetic Dentistry, Orthodontics and Maxillofacial surgery. This was attended by 23 postgraduates & inters with extensive lectures and hands-on workshop about Smile Design, Guided endodontics, Smile design, 3D printing, CAD CAM etc. Dr Shiva Shankar from Confident Dental Lab was the main speaker with various in house speakers.

Next was an Interdepartmental meet about Guided Endodontics – Pathways to Hidden Pulp, presented by Dr Swathi and Dr Manila on 10th March 2021. It was attended and appreciated by all post graduates and staffs of college. It was on both online and offline format.

Later from March 22nd till 1st April 2021 a series of nine hands-on workshop about Introduction to Magnification was conducted by all staffs from our department. It was attended by and well appreciated by 35 staffs from different department. Hands on experience to all participant about the usage and functioning of Dental Operating Microscope was given using our four in house lab microscope. These workshops will be extended to all other department post graduate students also in the coming months.
