The Department of Conservative Dentistry and Endodontics KLE VKIDS KAHER, Belagavi celebrated ‘CONS ENDO DAY’ on 5th March 2022 in collaboration with its society **Indian Association of Conservative Dentistry and Endodontics**. Cons Endo Day is celebrated every year to spread awareness among general public and dental community about its speciality.

The event on 5th March was graced by the Principle, HOD’s and all the teaching faculty, Principle Dr.Alka Kale declared the CONS ENDO DAY open. Dr.Sunita Shivanand commenced the program by expressing the significance of the day. Professor Dr Anand Patil concluded the inaugural by enlisting the events to be conducted by the department throughout the week as a mark to celebrate the Cons Endo Day.

On 5th of March a lecture was conducted by Dr Suresh Shenvi for the interns of the institute on “**SCOPE OF CONSERVATIVE DENTISTRY AND ENDODONTICS**” the lecture included the role of Conservative Dentistry and Endodontics in oral health maintenance, Various treatment options one can render as a specialist and carrier opportunities for students after completing MDS in Conservative Dentistry and Endodontics. After the completion of lecture feedback were collected which was very impressive.

To create awareness among general public regarding **“TRAUMATIC INJURIES TO TEETH”** a talk was given on our community radio station **KLE’s Venudhwani 90.4 FM** in Marathi by Dr.Aniket Chavan. The lecture was very well received.

A **“PATIENT EDUCATIONAL VIDEO MAKING COMPETITION”** was conducted for IV-year BDS students. All 92 students the strength of the class was divided into 9 groups. The department aimed at including student centric learning, team work and enhancing creativity.

On 22nd of March a validatory function was organized and certificate of appreciation attested by IACDE was awarded to Dr.Suresh Shenvi and Dr Aniket Chavan. Prizes and certificates for the best three videos and best topic selection for video making competition were awarded by Dr Alka Kale. The validatory function was attended by the faculty, Interns and IV-year BDS students it concluded with appreciation for the efforts put by the faculty of the department.
