

Incendo 2022

Conserve till the last reserve

The department of conservative dentistry and endodontics, Krishnadevaraya college of dental sciences and hospital commemorated the cons-endo day by organizing a week long extravaganza comprising a plethora of events.

“**CONSERVE TILL THE LAST RESERVE** “ was our motto for our cons and endo week extravaganza. We, as conservative dentist and endodontists strongly believe in conservation of tooth structure and carrying out minimally invasive procedures, “As the greatest gift we can give anyone is the gift of preservation”.

The event started off on the 7th of march, where in **patient awareness programmes** were carried out. Patients were educated on various aspects of dental caries and the harmful consequences that it can lead to the human dentition, the patients were also educated on the various oral hygiene measures that need to be practised to maintain strong, healthy and caries free teeth. Role plays were exhibited on tooth avulsion and its management, root canal treatment and vital tooth bleaching. Free oral hygiene sample kits were distributed to the patients. The event was conducted in kannada to enable better understanding of the patients. (fig-1,2,3)
