

COLLEGE OF DENTAL SCIENCES, DAVANGERE

DEPARTMENT OF CONSERVATIVE DENTISTRY AND ENDODONTICS

On the occasion of cons and endo day , celebrated on 4th march 2022 – a guest lecture was given by Dr Alur Manjunath , physician consultant Davangere. Sir enlightened us on the topic systemic diseases and dental practice. Sir shared his years of experience treating patients with oral manifestations of systemic diseases and encouraged us to keep a keen eye on these symptoms while routine check up.

Awareness was created to be cautious during dental treatment about systemic manifestations. All the staffs, postgraduate students and interns participated in the question and answer after the lecture.

For undergraduate students speech competition was held on the topic – COVID 19 and Online Education. All the 2nd and 3rd year students enthusiastically participated in the competition and shared their views on how effective is online education. Winners were selected from each year and prizes were distributed.
